

It's NEW

The one vise
for every purpose!

Float-LOCK®

Mity 7TM

Most versatile vise on the market!

- "floats" to any position on drill press or workbench—locks instantly, *surely!*
- holds work at *any angle*—always the most convenient working position!
- handles anything from a toothpick to a garage door—jaws open to a full 7 inches!
- extends *off the table or workbench* to hold objects no other vise can handle—swings out of the way when not in use!
- can be used as a 9 inch "C" clamp!
- substitutes as a wrench for the "big" jobs!
- serves as a bandsaw vise for maximum accuracy and safety!
- high-quality, all-steel construction, precision machined, and fully guaranteed
- complete with mounting bracket for drill press and anchor plate for bench mounting

There's never been anything like the Mity 7—the first production run sold out on word-of-mouth advertising alone! Patterned after the famous AMF Float-LOCK Industrial Vise that's swept the field in 4 short years, it's a *sure* profit maker. So get in on it ... *now*. Practically everyone who enters your store is a "hot prospect" for the one vise that does *everything*.
